## Friends of Concordia Chamber Choir

Formed in 1998, Concordia is a South London-based chamber choir providing a range of independently-promoted concerts. We have toured in Italy, France and The Netherlands and have now reached a stage where we want to do bigger things - Concerts in more sought after venues, more high-profile tours and to work more frequently with professional soloists and orchestras.

Performing choral music is expensive with costs ranging from venue fees and music hire to soloists and accompanist fees. To this point our work has been funded by subscriptions from choir members. Now we want to add to this fund with the launch of the Friends of Concordia scheme.

The Friends will be valued supporters and by joining them you will:

- be kept informed of the Choir's plans and activities through regular mailings
- help us continue with our artistic objectives.

Friends will receive:

- advanced information on future Concordia concerts and priority booking facilities;
- a 20% reduction on all tickets for concerts promoted by Concordia;
- invitations to social events and free interval drinks (at certain concert venues).
- reserved seating at all concerts promoted by Concordia
- an optional acknowledgement on all programmes

Subscriptions for 2008-2009 are:

- £30 for single membership.
- £50 for joint membership.
